Overview of ZAPS Permissions

Note: Adding a TA or STA to your Student Set will not grant that account access to the associated product(s); the TA or STA will still need to register or purchase access to be able to use the Digital Resources for your textbook.

The following table contains a complete list of the permissions Teacher's Assistants, Scoring Teacher's Assistants, and Instructors have in ZAPS.

	Teacher's Assistant (TA)	Scoring Teacher's Assistant (STA)	Instructor
Can see For Instructors tab in each activity	Yes	Yes	Yes
Can access Class Activity Report and view/export student submissions/question responses/experience report data	Yes	Yes	Yes
Can move through tabs/questions in any order	Yes	Yes	Yes
Can review and update activity settings			Yes
Can access Manage Student Sets and add or remove students		Yes	Yes
Can add TA/STA/authorized instructors to the Student Set		Yes	Yes
Can remove TA/STA/instructors from the Student Set			Yes

Can update the name of the Student Set		Yes	Yes
Can update the Start and End dates of the Student Set		Yes	Yes
Can set a GAU for each activity			Yes
