

The Digital Landing Page for Students

Last Modified on 06/06/2022 10:44 am EDT

The Digital Landing Page is where instructors and students can purchase and access Norton digital learning tools. This page provides a visual overview of the Digital Landing Pages in order to quickly familiarize users with the student view.

The Digital Landing Page

The screenshot shows the Norton Digital Landing Page for the textbook "Psychological Science, Fifth Edition" by Gazzaniga, Heatherton, and Halpern. The page layout includes a top navigation bar with the Norton logo, the text "W. W. Norton & Company, Inc. INDEPENDENT PUBLISHERS SINCE 1925", the title "DIGITAL RESOURCES", and a "Sign in or Register" link with a gear icon. Below the navigation bar, the textbook cover is displayed on the left, and the title "Psychological Science" with "FIFTH EDITION" and authors "Gazzaniga, Heatherton, and Halpern" is on the right. A "Purchase Options" button is located next to the title. A large green button labeled "SIGN IN, REGISTER A CODE, OR PURCHASE ACCESS" is centered below the title. Below this button are three resource tiles: "Ebook" (with a stylized 'e' icon), "InQuizitive" (with a rabbit icon), and "ZAPS" (with a stylized 'Z' icon). A "Getting Started" tile with a question mark icon is positioned below the other three. Numbered callouts are placed as follows: 1 points to the "Sign in or Register" link; 2 points to the "Purchase Options" button; 3 points to the "SIGN IN, REGISTER A CODE, OR PURCHASE ACCESS" button; 4 points to the "Ebook", "InQuizitive", and "ZAPS" tiles; and 5 points to the "Getting Started" tile.

1. Click on the Sign in or Register link to login, register, or purchase access to the digital resources for your textbook.
2. Click on the Purchase Options button to view all of the purchasing options for your textbook without needing to fill in account information.
3. Click on the Sign In, Register a Code, or Purchase Access button to login, register, or purchase access to the digital resources for your textbook.
4. Click on a resource tile to view demo activities or chapters and a complete list of all of the available

assignments or chapters for each resource.

5. If you are new to using Norton digital resources, click on the Getting Started tile.

● Purchase Options

1. Click on the gear icon in the upper right corner to view the account tools.
2. Click on a resource tile to view the assignment list or table of contents for the selected resource. If you are a member of a Student Set and your instructor has set a Grades Accepted Until (GAU) date for an assignment that falls within the next 7 days, you will see a notification icon on the resource's tile. The number in the yellow circle represents how many assignments within that resource have a GAU that occurs within the next 7 days.
3. Click on the Getting Started tile to view getting started materials specifically designed for students.

Assignment List

The Assignment List or Table of Contents for each digital resource may vary slightly from the image and descriptions below.

Show Unassigned Items
13

- Click on the Digital Resources link to return to the Digital Landing Page for your textbook.
- Click on the gear icon in the upper right corner to view the account tools.
- Your average grade for all of the assignments you have completed and submitted so far will be displayed.
- The Assignment Title column displays the titles of each assignment or chapter. If you are a member of a Student Set, only the assignments that your instructor has assigned Grades Accepted Until (GAU) dates will be displayed. The assignments will be displayed in order of their GAUs. The remainder of the assignments that your instructor has not assigned can be viewed by clicking the Show Unassigned Items button located near the bottom left of the Assignment List. Click on the column header to sort the assignments in numerical order, either ascending or descending.
- The Grades Accepted Until column displays the Grades Accepted Until (GAU) dates for each assignment. If your instructor has not given an assignment a GAU, it will not be listed in the Assignment List. Click on the column header to sort the assignments by GAU, either ascending or descending.
- The Time Spent (MM:SS) column displays the time you spent completing an assignment or reading a chapter of the ebook. Click on the column header to sort the assignments or chapters by your completion time, either ascending or descending.
- The Score column displays your current score for each assignment. Click on the column header to sort the assignments by your score, either ascending or descending.
- The Grade column displays your current grade for each assignment. If the grade column is blank, you have not yet answered the minimum number of questions required to receive a grade. Click on the column header to sort the assignments by your grade, either ascending or descending.
- If you have successfully completed an assignment with 100% prior to the passage of the GAU, there will be a green checkmark badge to the left of the assignment's title. If you have completed an assignment but did not score 100%, there will not be a green checkmark. Look in the Grade column and if there is a grade displayed in that column, you have completed that particular assignment and received the score shown in

the Grade column. Green checkmark badges will only appear to the left of assignments where you scored 100%.

10. If the GAU has passed for an assignment, the title will be displayed as standard text. Since the GAU has passed, you can still access the assignment but you will not be able to receive a grade or improve an existing grade.
 11. Any assignments that have a GAU that occurs within the next 7 days will be displayed as bold, yellow text.
 12. Any assignments that have a GAU that occurs in the next 8 days or longer will be displayed as bold, black text.
 13. To view all of the available assignments, even those that your instructor has not assigned, click on the Show Unassigned Items button found at the bottom of the Assignment List. Click on the Hide Unassigned Items button that appears to view only the assignments that your instructor has assigned. Unassigned assignments will be displayed as standard, black text and not assigned will be displayed in the Grades Accepted Until column.
